BRUFEN® 400 400 mg
potahované tablety
ibuprofenum
30 potahovaných tablet
Mylan

Brufen 400, 400 mg, potahované tablety, je léčivý přípravek s účinnou látkou ibuprofen k vnitřnímu užití. Pečlivě čtěte příbalovou informaci.

Mylan
Better Health
for a Better World

Kaikki hoito- ja tutkimusvälineet ja nyt myös kulutustarvikkeet kokonaisratkaisuna!

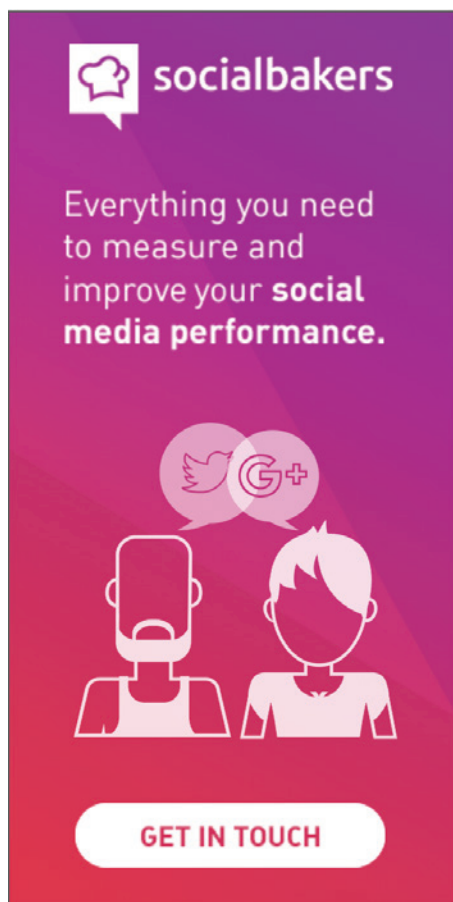

Creation of product 3D renders for video or web.

Poster design for a local shop.

Web banners

HTML banners I implemented using CSS animations
(click on the banner to open preview).

Video animation and localization

Design, animation and SFX.

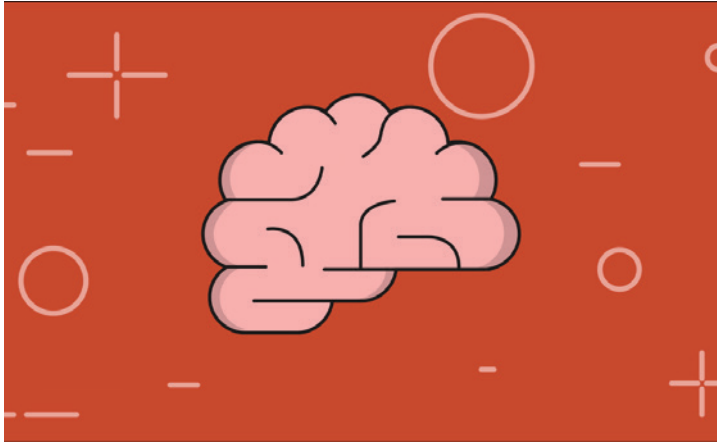

Animation, edit and audio cut.

Replacing original text with localized text while keeping same visual style (click on image to open preview).

Motion graphics

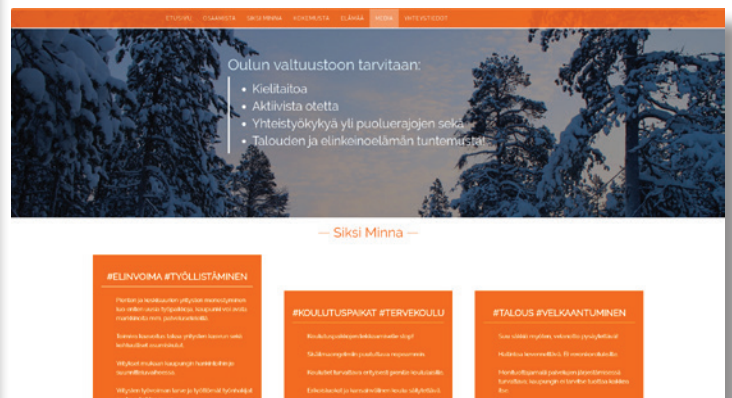

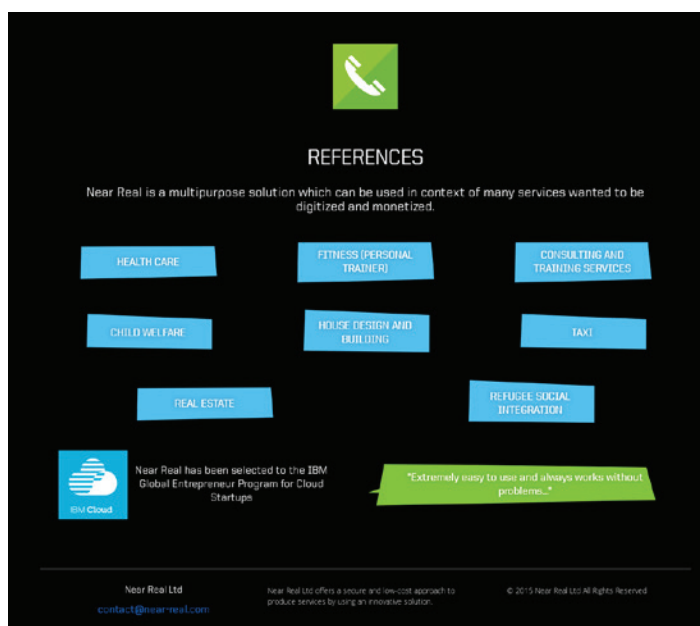

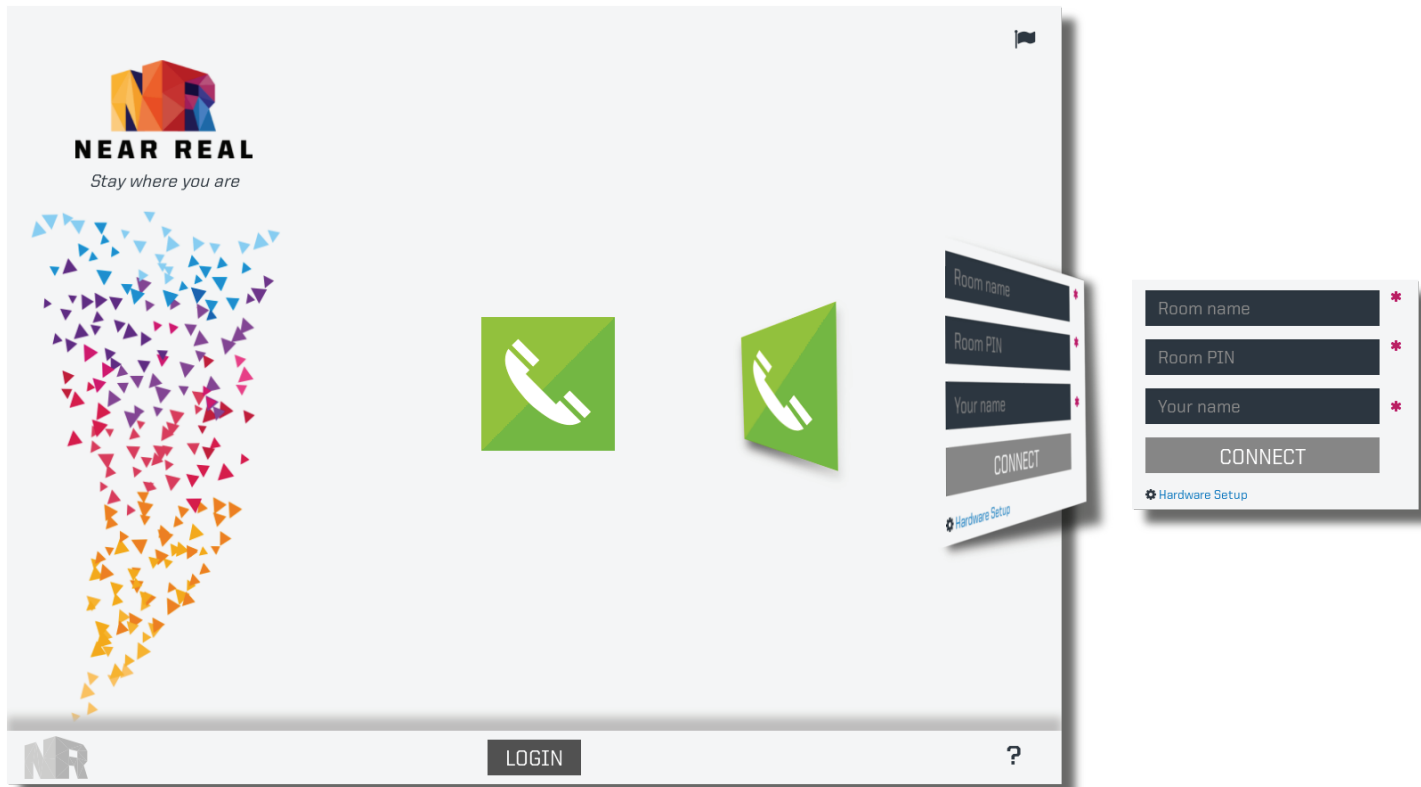

Přejeme vám, aby byl váš život naplněn dárky,
štědrostí a porozuměním nejen o Vánocích,
ale i v celém nadcházejícím roce.

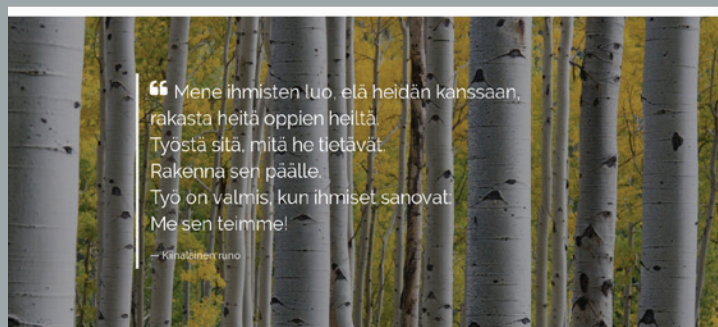

1/2019

Storyboard and animation (click on image to open preview).

Web Design

Political campaign

I designed, implemented and did SEO for a political campaign website:
www.minnaweb.gdmt.cz

Near Real: presentation page

Near Real is a Finnish videoconference start-up. I implemented their brochure website and web application front-end.

Stay where you are! Monetize your know-how and offer your services from anywhere to anyone.
